The Clubhouse

Dyrham Park's exceptional Grade II listed Clubhouse never fails to impress and offers comfortable surroundings in a relaxing atmosphere to entertain clients and reward employees for their work. It is a perfect conference and meeting venue for private functions with formal and casual dining facilities.

The elegant Terrace Room, overlooking the main Clubhouse lawn, can seat up to 140 guests and is complemented by the terrace and lawn area, swimming pool and tennis courts.

The Club's experienced Chefs create delicious menus for any occasion, whether a corporate golf day, conference, business meeting or private event. In addition, al fresco lunches on the patio overlooking the manicured lawn, are offered throughout the summer months.

The Course

The status of corporate membership at Dyrham Park provides the perfect blend of business and pleasure. It is said that more deals are done on the golf course than in the office and corporate membership at Dyrham Park offers the opportunity to entertain clients in a secluded setting.

Dyrham Park Country Club's excellent 18-hole par 72 golf course presents a rich and varied challenge, with tree-lined fairways and several water hazards, making it one of the most enjoyable Hertfordshire golf and country clubs.

Also benefitting from a newly created 18-hole golf buggy/trolley path, golfers can enjoy year-round golf.

In addition to weekly tee times, companies can hold corporate golf days with packages designed to suit any requirements. Single, two-tee and shotgun starts are available with recognised golf competition formats allowed including the popular Texas Scramble.

Excellent catering can be arranged for clients and guests including a well-stocked halfway house. Other locations around the course can be used for additional hospitality.
